Gerardo Padilla SEIL Rigging & Rentals

"In my opinion, the Master Manager program is the best course within MHEDA. We implemented the entire program in real-time at our company, every strategy and principle, step by step and it has set us up for the next year at our company to be successful."

Matt Fye

Morrison Industrial Equipment Co.

"I truly believe that all of our branch managers could benefit from going through this program! It's eye-opening to see how important it is to go back and apply these program strategies and principles into your company."
